SSR prequalified for Assessment

Congratulations to all AAGACCIANS for reaching another milestone in the NAAC process. Our Self-Study Report (SSR) has been prequalified for assessment. Yay!

As part of our memorable NAAC journey, AAGACC has already experienced a remarkable first phase of transformation. This includes the installation of selfie points, directional signboards, checkpoints, bollards to ensure smooth traffic flow and trees labeled with botanical names and QR codes.

The second phase promises exciting new additions that will enhance the overall experience and elevate the campus atmosphere. IQAC is committed to surprising you all when the college reopens in December. I urge all students to take pride in these new features, use them responsibly and ensure they continue to serve our campus community for years to come.

Dr. N. KALAVANI, Principal

Transformation of AAGACC by IQAC

I am delighted to witness the remarkable transformation our campus is undergoing as we prepare for the upcoming NAAC peer team visit after our SSR has been prequalified for assessment.

I hereby extend my heartfelt congratulations to the IQAC team for their efforts in driving these novel and creative infrastructural enhancements. The unwavering support of all Heads of Departments and staff members has been instrumental in making this progress possible. A special note of gratitude goes to our generous donors and esteemed alumni, whose contributions have been the cornerstone of these developments. These new facilities are dedicated to you, dear students, with the hope that they will inspire growth, learning and pride in our campus community.
